

## How to Create a New User Account for MyGovernmentOnline

1. Go to [www.mygovernmentonline.org](http://www.mygovernmentonline.org) and click on the **Permits and Licensing** link as shown with the red arrow below.

2. Click on the New Account link at the top right of your screen.

3. Fill in the user account login information required to create your new account. A valid E-mail address is required. The password you enter is very important. Please do not forget the e-mail address. Also ensure that you are not typing in capital letters as the password you enter will be case sensitive. The telephone number you enter must be an active working telephone number. The software service will call the telephone number once you have completed the account creation process. You must be able to answer the telephone call in order for your account to become active. Please phrase the Challenge Question in the form of a question such as “What is your mother’s maiden name?” The answer you type should be one word only such as “Smith.”

The image shows the 'Create Account on Customer Portal' page. At the top, there is a blue header with the site name and navigation buttons. Below the header, there is a section titled 'Create Account on Customer Portal'. This section contains a list of three important details: 1. New accounts require phone verification. 2. Please listen to the automated message carefully and follow the instructions given to you. 3. If you miss both calls or are unable to verify your number, contact our office. Below this list, there are two main sections: 'Your Login Information' and 'Your Account Information'. The 'Your Login Information' section has four input fields: E-mail, Confirm E-mail, Password, and Confirm Password. The 'Your Account Information' section has five input fields: First Name, Last Name, Business Name, Phone Number, and Challenge Question. The Phone Number field has a dropdown menu for the area code. The Challenge Question field has a corresponding 'Challenge Answer' field. At the bottom of the form, there is a 'Create Account' button.

- You will receive an “Account Created” confirmation stating that your account has been created. Click the Close button to close the message. A telephone call to the telephone number you provided will follow shortly. When you receive the call, answer the call and press the number 1 on your keypad when prompted. This completes the account activation process.

**If you do not receive the telephone call within 10 minutes, please call the MyGovernmentOnline support line at 1-866-957-3764, option 2 for assistance. Please have your e-mail address ready.**

### Create Account on Customer Portal

Before you begin the account creation process, we would like to make you aware of three important details:

- New accounts require phone verification. Please have direct access to the phone number you enter. If you are using a phone number you do not normally have access to, you will need to answer the phone yourself, or alert the person answering the phone of the incoming call.
- Please listen to the automated message carefully and follow the instructions given to you. MyPermitNow will make two attempts to call the number you enter.
- If you miss both calls or are unable to verify your number, contact our office. Call our office at 1-866-95-PERMIT (1-866-957-3764). We will verify your account and activate it manually.

**\*If you do not see a particular project in your My Permits list, please proceed to the instructions on the next page which will show you how to add a permit to your My Permits list.**

## Add a Permit to the “My Permits” List

If you would like to add a project to your My Permits list, please follow these simple steps.

1. Once you are logged into the portal, click on the button at the top left side of the screen that says Permits and Licensing.

2. Select the appropriate state your project is located in first. Then select the Jurisdiction that is authorizing the permit. Enter the Project Number (This is the same number as the permit number) **OR** you may search for the permit by the address **Street Number** and **Street Name**. Please do not try to search using both the Project Number and the Address. **Note: If you choose to search by address, you must enter the Street Number ONLY in the Street Number field and then enter the Street Name ONLY in the Street Name field.** Then click the Search button.

A screenshot of the MyGovernmentOnline.org portal showing the 'Search Permit Applications' form. The form is divided into two sections: 'Required' and 'Suggested'. In the 'Required' section, there are three dropdown menus: 'Country' (set to 'United States'), 'State' (set to 'Mississippi'), and 'Jurisdiction' (set to 'Hernando'). These three dropdowns are highlighted with red boxes. Below the 'Required' section, there is a link: 'Click here for advanced reporting or bulk downloads. Otherwise, continue below.' In the 'Suggested' section, there is a text prompt: 'Please fill out only one of the suggested categories for best results. At least one suggested field must be filled out in order to search.' Below this prompt, there are three input fields: 'Project #', 'Street Number', and 'Street Name'. The 'Project #' field is highlighted with a red box. Below the 'Street Number' and 'Street Name' fields, there is an example: 'Ex: Less information will return more results. If the address you are looking for is 123 North Smith Street, put "123" in the Street Number box and "Smith" in the Street Name box.' Below the example, there is a text prompt: 'Optional Only used to narrow down a large list of permits'. At the bottom of the form, there is a 'Search' button, which is highlighted with a red box and a red arrow pointing to it. At the very bottom of the page, there is a pagination bar with the number '0' in the center.

3. The search result will show up at the lower part of the page. Ensure you have located the correct project and then click the “Add to My Account” button on the right side of the screen in the search result.

## Upload PDF Documents to Your Project

In the event the jurisdiction will need additional documents or revised plans for your project, you will have the option of uploading the documents through the customer portal. Please ensure that the document is a PDF document and is saved to your local computer prior to starting the process.

1. Once you are logged in, click on the “Account” button at the top right area of the webpage.

2. Scroll down to the “My Permits” section and click on the “View Permit” link associated with the project you desire.

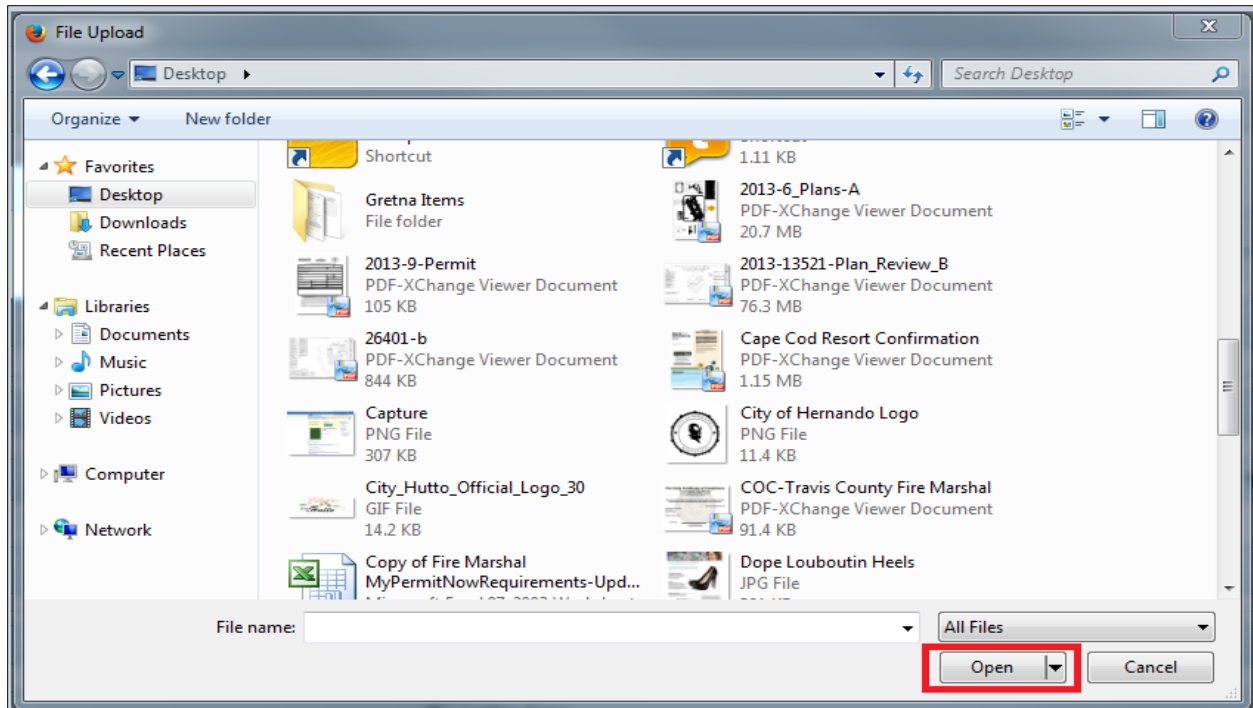

3. When the project opens, **scroll** down the page to the section called **Customer Documents**. Click on the link at the far right that says “Add New File”.

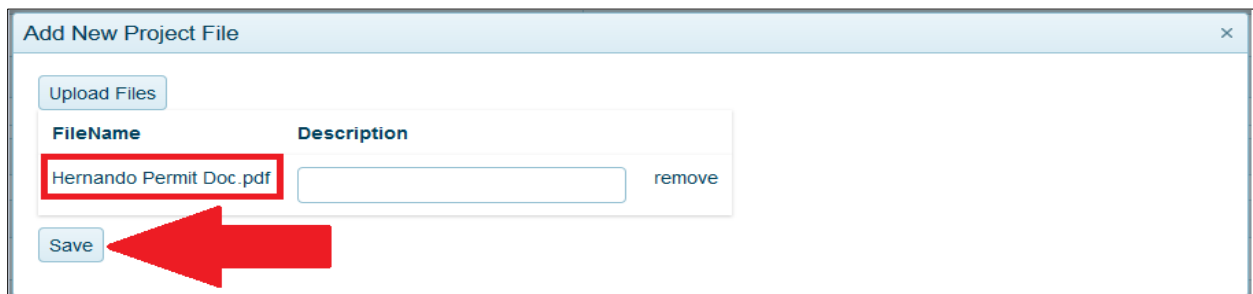

4. Click the “Upload Files” button in the window that appears.

5. Select the file you wish to upload from the folder location on your computer and then click Open.

6. Allow the file time to upload. The length of time to upload will vary based on your Internet connection speed and the size of the file. Once the file has finished uploading you will see the File Name in the window. You may enter a short description in the Description box but it is not required. Click the Save button to complete the file upload process.

7. The file name will display in the Customer Documents section confirming the document has uploaded to the project. The jurisdiction will see the file and contact you if necessary.

## View Files and Plan Review Letters from the Jurisdiction

You can view documents and plan review letters that the jurisdiction has added to your project. These documents may communicate a need for revisions required to plans you have submitted or other information related to the project. This section also catalogs the plans you have submitted to the jurisdiction and saves the files historically.

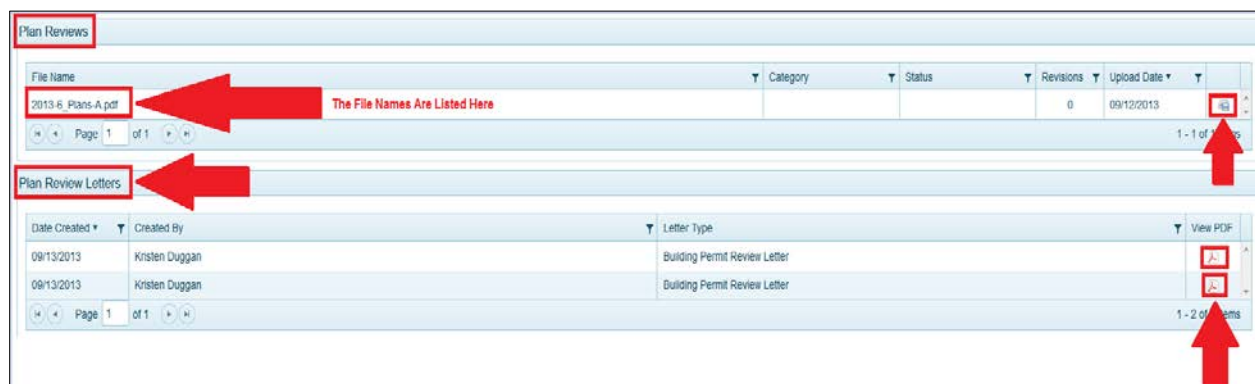

1. Once you are logged in, click on the “Account” button at the top right area of the webpage.

2. Scroll down to the “My Permits” section and click on the “View Permit” link associated with the project you desire.

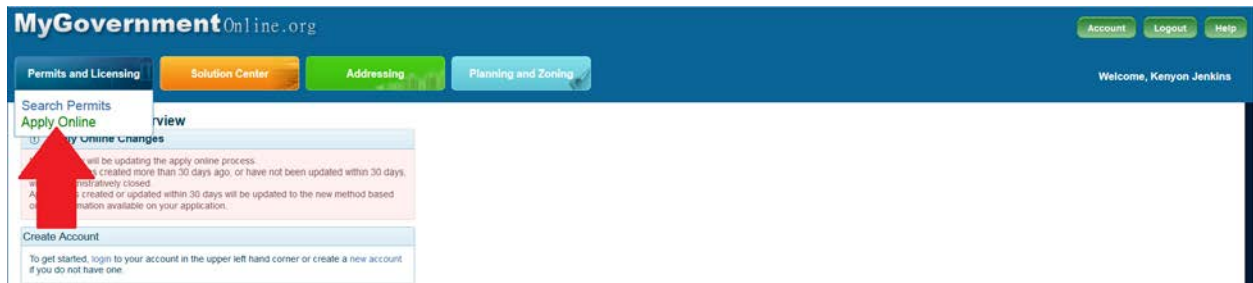

3. When the project opens, **scroll** down the page to the section called **Plan Reviews and Plan Review Letters**. The Plan Reviews section displays files that can be downloaded and viewed in PDF format. The Plan Review Letters section allows you to download and view letters in PDF format. The links to the far right allow you to view any of the items. The documents will open in your computers PDF Reader just as any other PDF document is viewed.

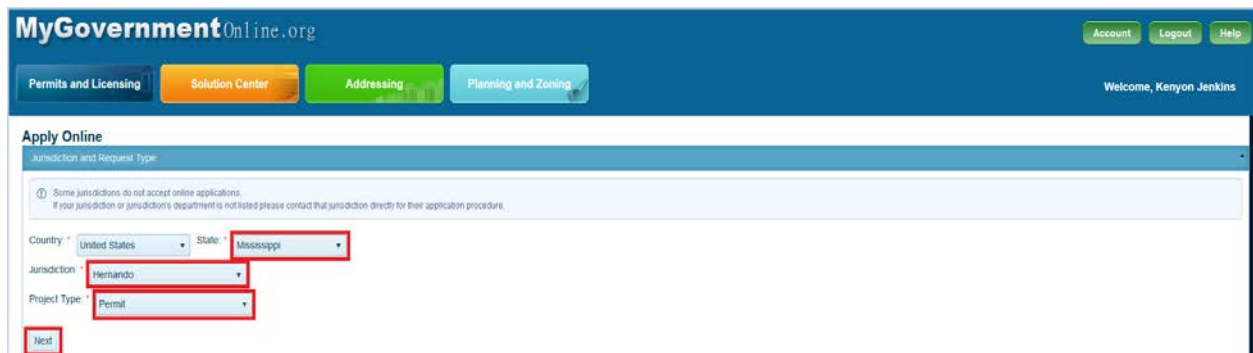

# Apply Online for a Permit

You may apply for your permit online if your jurisdiction offers this feature. When applying for the permit you will be able to also upload plans and other documents in PDF format if documents and drawings are required for your project.

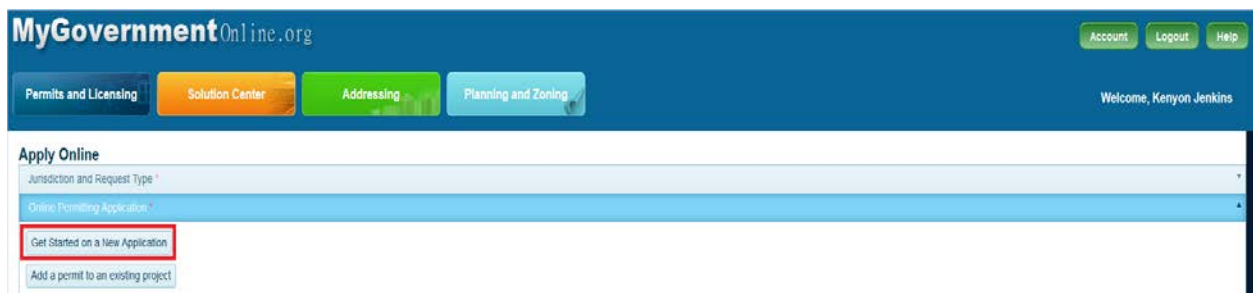

1. Once you are logged in, go to the **“Permits and Licensing”** button in the top left area of the screen and then click on **Apply Online**.

2. In order, select the State, Jurisdiction, and Project Type as shown below and then click next. If you do not see the jurisdiction in which you desire to submit an application to after selecting the state, then the jurisdiction does not yet offer the “Apply Online” feature at this time.

3. Select **“Get Started on a New Application”** to begin the application process. You should only use the **“Add a Permit to an Existing Account”** option if you are applying for an Electrical, Mechanical or Plumbing permit that will be added on to an already issued building permit.

4. Enter the physical address of the project and then click next.

The screenshot shows the 'Physical Address' section of the 'Apply Online' form. The header includes 'MyGovernmentOnline.org' and navigation tabs: 'Permits and Licensing', 'Solution Center', 'Addressing', and 'Planning and Zoning'. A user is logged in as 'Kanyon Jenkins'. The form has three dropdown menus: 'Jurisdiction and Request Type', 'Online Permitting Application', and 'Physical Address'. Below these, a text box prompts the user to provide the physical address of the project. There are three input fields for 'Address', 'City', and 'Zipcode', each with a red border. A 'Next' button is at the bottom left.

5. The Applicant contact information will automatically pre-fill from the user account information of your log-in account. You may select how you wished to receive automatic notifications during the project. Please note that e-mail notifications are more convenient and can be referred back to at any time since the notifications arrive in your e-mail inbox. It is strongly encouraged that you opt in for e-mail notifications. Missed telephone calls can cause you to miss some of your notifications during the project. To opt in for any notification method type, please click the check box next to the preferred method in which you would like to be notified. Click next to proceed.

The screenshot shows the 'Applicant's Contact Information' section of the 'Apply Online' form. The header is the same as the previous screenshot. The form has four dropdown menus: 'Jurisdiction and Request Type', 'Online Permitting Application', 'Physical Address', and 'Applicant's Contact Information'. Below these, there are input fields for 'First Name' (Kanyon), 'Last Name' (Jenkins), 'Suffix' (a dropdown), and 'Business Name' (Ken Jenkins, LLC). The 'Mailing Address' section includes 'Address' (1702 Rio Vista Ave), 'City' (Houma), 'State' (Louisiana), and 'Zipcode' (70363). There are three phone number fields: 'Cell Phone' (985 688 0155), 'Home Phone' (985 688 0101), and 'Work Phone' (985 226 0075). Each phone field has a 'Notify' checkbox. A red arrow points to the 'Notify' checkbox for the email field (kenyonjenkins@gmail.com). At the bottom, there are 'Back' and 'Next' buttons, with the 'Next' button highlighted by a red box.

6. Now enter the Property Owner's contact information and then click next.

Below the header is a light blue box containing an information icon and the text: "To save your current progress and complete your application another time, please press save before exiting." Below this box, the text "Your application is ready to submit to the jurisdiction." is displayed. At the bottom of the interface are three buttons: "Back", "Save", and "Submit". The "Submit" button is highlighted with a red rectangular border.

You will receive a confirmation message and an application number. The jurisdiction will receive your application and begin processing the application. Once the jurisdiction accepts the application, you will be able to pay the permit fees. Please be patient. Someone from the jurisdiction will contact you to proceed or if they need additional information.

The screenshot shows a confirmation message box with a title bar that says "Application Created And Submitted" and a close button (X). The message text inside the box reads: "Your Application has been sent to Jurisdiction and has been assigned # APP-3. You will not be able to edit your application again unless the permit office returns your application to you for more information. You may use your account to check the status of any applications you have submitted." At the bottom left of the message box is a "CLOSE" button.
